

Chicken Pot Pie

Tender herb-roasted chicken, potatoes and a host of seasonal vegetables in a delicious gravy under a flaky puff pastry crust.

Heating Instructions:

Pull pot pie from fridge 15 min prior to placing in a 375° over for 35 - 40 min.

While waiting for pot pie to come to room temperature brush the top with the egg wash included.

* all times are approximate, as all ovens are slightly different. Convection mode is recommended.
