Grilled Pork Chops

Tender prime cut bone-in pork chops with grilled dijon apples. Mixed roasted potatoes along with green beans and cherry tomatoes.

Heating Instructions:

Remove all items from the fridge 30 - 45 min prior to putting the porch chops in a 375° oven for 15 min.

Potatoes, Beans & Tomatoes, can be added for the last 10 min.

* all times are approximate, as all ovens are slightly different. Convection mode is recommended.
